

ELECTRONIC NOZZLE 20

TITAN ELITE BLADE NOZZLE

Overview

The Electronic BLADE Nozzle delivers a decisive advantage in wildland firefighting with uncompromised stream performance. Flowing 20 GPM at 100 PSI, it is optimized for the TITAN ELITE brush truck turret and provides exceptional reach, penetration, wind resistance, and wide-area coverage. Operators can seamlessly transition from a solid stream to the patented BLADE pattern while adjusting the BLADE orientation from horizontal to vertical for precise water application.
